

To whom it may concern,

Ankle and Foot Care is seeking full time associate for well established, busy private practice in Western PA. The practice is located approximately 45 minutes north of Pittsburgh and has been established in the area for over 30 years. Low cost of living, great schools in the area, with opportunity to live either in suburban or rural area. The original owner is planning on retiring in next 1-2 years and new owner is looking for long term associate, with opportunity for partnership.

The practice is well rounded and treats all podiatric pathology- pediatrics, sports medicine, at risk foot care, wound care, foot and ankle surgery, and limb salvage. Billing and office experience a plus, but not a requirement for the right candidate.

We are seeking someone who is Board Qualified/Board Certified with ABFAS, residents or new graduates welcome to apply! Great working relationship already established with local hospital and referring physician offices, including orthopedics and pediatrics. The right candidate should be personable, hardworking, and looking for a long-term position.

We are open to interviewing candidates virtually or in person and will also be attending the 50th annual Goldfarb Clinical Conference at the Valley Forge Casino Resort November 3rd-6th 2022.

Competitive salary and benefits, please send letter of interest and CV to ankleandfootcare@gmail.com.

Michelle P. Sparks DPM, FACFAS, DABPM

John A. Marty DPM, FACFAS
